ABOUT US

VieProfit is a next-generation, AI-powered Bitcoin investment platform that redefines how individuals worldwide access secure, high-yield trading. Founded in 2025 by a team of AI scientists, professional traders, and financial analysts, the platform has rapidly grown into a global leader in AI-driven trading solutions. In 2024, we established Wealth Invest Corp, headquartered at United Kingdom, to ensure full regulatory compliance and to underscore our commitment to transparency and security. Operating through the VieProfit.com platform, we offer institutional-grade trading technology within a highly secure investment ecosystem, empowering investors to pursue consistent returns through a fully transparent, automated system.

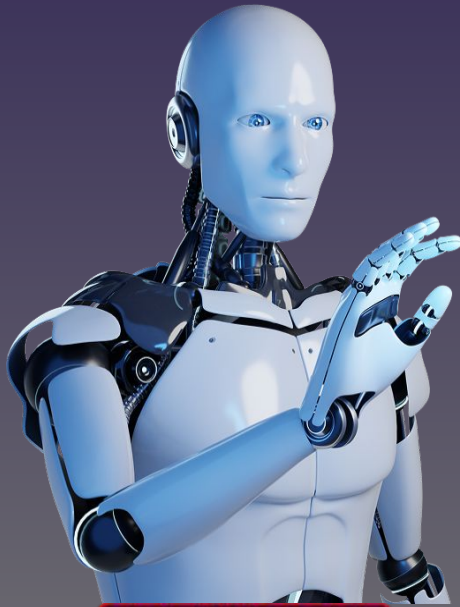

VIEPROFIT

OUR AIM

We are a growth-focused platform designed to provide individuals with opportunities to earn through structured income models, including daily returns, direct income, level income, and team-based rewards. Our system is built to encourage financial participation, teamwork, and consistent earning potential.

We aim to create a simple and transparent ecosystem where users can start with small packages and gradually grow their income through active engagement and network building.

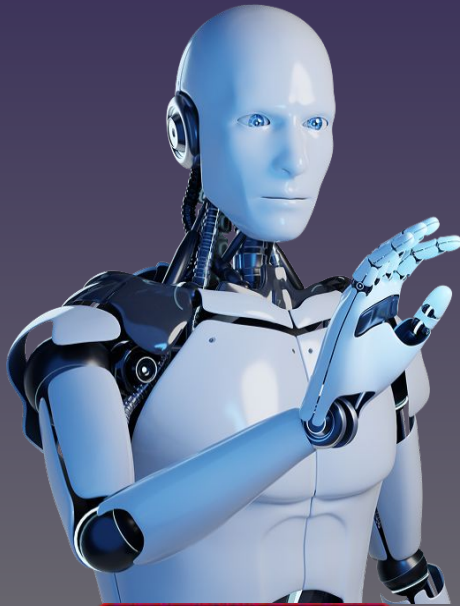

VIEPROFIT

OUR MISSION

Our mission is to empower individuals by providing:
